

Dental Exam Information for Registered Nonpublic Nursery Schools

Dear Parents:

As you know, our nursery school is voluntarily registered with the New York State Education Department. As part of that registration, we are required to keep on file the date of your child's last dental check-up. Please take a moment to complete the bottom section of this form and return it to me as soon as possible. The information provided will be kept in your child's confidential file.

Thank you for your prompt attention to this request.

Sincerely,

Dale O'Brien

Director
